

## **Salinas Union High School District Bullying Reporting Guide**

### **Student:**

Step 1: Contact your teacher, counselor, and/or administrator and communicate the bullying incident.

Step 2: Complete a Bullying and Harassment Form and/or Witness Form available in the main office or district website [suhdsd.org](http://suhdsd.org).

- The school principal/designee investigates the incident within 2 school days. Resolution for incidents is given to parents/guardians within 2 school days.

Step 3: The administrator will take appropriate disciplinary action appropriate with board policy and educational code.

### **Parents:**

Step 1: Contact your child's school and verbally report bullying incident.

Step 2: Complete a Bullying and Harassment Form available at your child's school or district website.

- The school principal/designee investigates the incident within 2 school days. Resolution for incidents is given to parents/guardians within 2 school days.
- Appropriate disciplinary action is taken. All suspensions for bullying should have an accompanied Bullying and Harassment report.

Step 3: If not satisfied with the investigation, contact the School Principal.

- The Office of Pupil Personnel Services will work with the school to ensure that the incident is investigated within 2 school days. The Office of Pupil of Personnel Services will ensure that resolution is sufficient appropriate with board policy and educational code.
- The Coordinator for Non-Discrimination will work with the school regarding complaints of discrimination.

### **Teachers:**

Step 1: Contact your student's administrator and communicate the bullying incident (verbal or via email)\*. If your student administrator is not available, contact the school principal.

Step 2: The administrator will conduct an investigation regarding the reported incident within 2 school days. Resolution for incidents is given to teachers and parents/guardians within 2 school days.

Step 3: The administrator will take appropriate disciplinary action appropriate with board policy and educational code.

### **Classified Support Staff:**

Step 1: Contact the student's administrator and communicate the bullying incident (verbal or via email)\*. Or complete a Bullying and Harassment Form if someone is reporting the incident to you.

Step 2: If you completed a Bullying and Harassment Form submit to administration.

- The school principal/designee investigates the incident within 2 school days. Resolution for incidents is given to parents/guardians within 2 school days.

Step 3: The administration will take appropriate disciplinary action appropriate with board policy and educational code.

### **Administrator:**

Step 1: Contact the student target within 2 days of receiving a report. Interview the student and get a written statement on the incident.

Step 2: Investigate the incident.

Step 3: Provide interventions and/or take appropriate disciplinary actions and/or interventions. (i.e. contract)

Step 4: Conference (phone or in person) with parent and students (victim and aggressor) regarding incident, actions taken, follow-up actions and consequences for future incidents

### **Counselors/Community Human Services Counselor:**

Step 1: The counselor will meet with the student target and/or parent; they will have student complete the witness report form and will conduct an interview the student and/or parent.

Step 2: The counselor will determine intervention (counseling session, or referral) or administration involvement.

Step 3: The counselor will follow up with the student target and/or bully.

### **Other Info:**
